1. Brad Kiburz and Tom Amosson from Rinderknecht distributed materials from Solum Lang Architects, Novak Design Group, and Martin Design. Also in the handouts was a copy of the letter sent by Rinderknecht to these firms requesting their proposals.
2. It was agreed that we should read this material prior to the interviews on January 6. COPIES ARE AVAILABLE IN THE CHURCH OFFICE FOR COMMITTEE MEMBERS THAT WERE UNABLE TO ATTEND TONIGHT'S MEETING.
3. The interview schedule is as follows:
 - Thursday, January 6 - 5:15 pm FUMC BC meeting in classroom, light supper served. We will collect thoughts and lay out our questions and review the process for the interviews.
 - Thursday, January 6 - 6:00 pm TBA presentation/interview
 - Thursday, January 6 - 7:30 pm TBA presentation/interview
 - Thursday, January 13 - 7:00 pm TBA presentation/interview
4. The next FUMC BC meeting will be on Thursday, January 27 at 7:00 pm. Our goal will be to select an architect.
5. Point of clarification...the architect will technically work through Rinderknecht. Our point of contact from design through construction will be Rinderknecht.
6. Loan signing and photo op will be next Wednesday, December 22, at 4:00 pm.
7. Craig was not at our meeting because he was attending the City Council Meeting for approval of the site location, zoning language and plat. Notes/comments from that meeting will be coming to committee members this week.
8. Craig will forward information about closing on the property purchase tentatively planned for December 30.
9. Meeting adjourned at 7:45 pm
